Certificate of confirmation

TO WHOM IT MAY CONCERN

We would like to confirm that Educational and Training Centre for poor women and girls of Afghanistan (ECW) is a well-staffed, active and non-governmental organization which works in different areas: Education, Peace Building, Health, income generating measures, Skill development and Capacity building. The activities cover provinces of Kabul and surrounding areas, Kunduz-Region Takhar and Baghlan.

We have closely worked with ECW from 2002 onwards. Currently we are cooperating with ECW in the field of Peace Building since 2005. This cooperation will continue also in the coming years. ECW has always completed a joint cooperation to our full satisfaction and in accordance to the agreement, which was signed between our both organizations.

Sincerely;

Dr. Andreas Schneider
Country Director for DED Afghanistan
